Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

On March 3, 2005, a Transmittal of Power of Attorney and Statement Under 37 CFR §3.73(b) was filed in the above-identified application, along with a properly executed General Power of Attorney authorizing Oliff & Berridge, PLC to act on behalf of Applicants. On April 8, 2005, the Patent Office mailed a Communication, stating that "although the [March 3, 2005] paper has been placed in the file, the names of the patent practitioners listed on the associate power of attorney have not been made of record."

As stated above, what was filed on March 3, 2005 was a General Power of Attorney and Statement Under 37 CFR §3.73(b), not an associate power of attorney.

Accordingly, the Patent Office is requested to enter the names of the practitioners listed on the General Power of Attorney, and enter the change of address as instructed in the March 3, 2005 filing.

Should the Patent Office have any questions, the Patent Office is requested to contact the undersigned at the telephone number set forth below.

Respectfully submitted,
